## Player Age Bands 2019/2020

For your Clubs insurance reasons and FA Standard Code of Rules, a player may not register or play in a wrong age group. The FA makes no exceptions whatsoever.

### School Year (\*)

The school year is only a guide; always use Date of Birth to determine age group.

### Proof of Age (Date of Birth and Nationality)

When registering a player, who did not play in your Club, in the 2018/19 season, then as proof of age/nationality document (POA) is required.
