The screenshot shows the GoFootball website interface for managing club player accounts. At the top, there is a navigation bar with the GoFootball logo, the URL 'GoFootball.co.uk', and the user role 'Directors - Club'. On the right, it identifies the organization as 'ashridgeparkfc' and lists it as an 'Approved Club'. Below the navigation bar, there are tabs for 'Management', 'Managers', 'Coaches', 'Teams', and 'Players', with 'Players' being the active tab. Under 'Players', there are sub-links for 'Manage Players', 'Upload Players', and 'Player Search'. The main content area is titled 'Club Player Accounts' and includes options to 'Create Player Profile' and 'Export Players (XLS)'. A search and filter section is present with fields for 'Page Size', 'Photos', 'Teams Column', 'Level/Grade', 'Archive', 'On Team', and 'Flagged', along with an 'Apply Filters' button. Below this is a form for entering player details, including 'Current League', 'Group', 'Gender', 'Rating', 'Player Name', 'Player ID#', 'Family Acct#', 'Team Name', 'Player Email', 'Parent Name', 'Parent Email', 'School Grade', 'Documents', 'Birth Cert', 'AI', 'Foreign Birth Cert', 'Int'l Clearance', and 'Show County Reg'. To the right of the form is a 'Level/Grade Management' panel with buttons for 'Get Level/Grade', 'Assign Team', 'Search', 'Set Player Status Flag', and 'Set Flag'. Below the form are links for 'Print Medical Release Forms' and 'Release Form Test'. At the bottom, a table header is visible with columns: 'Level/Grade', 'Last First Name', 'Fam#', 'Family', 'School', 'Gid', 'Inst Code', 'DOB', 'Gid', 'Chr Age', '1819 Age', 'Team', 'Inst#', 'Team Age', 'Rating', 'Flag', and 'Teams'. The table content is mostly obscured by a dark bar.
