2 Ian Nile - Chairman Report 2021/22

Challenging 21/22 season, in returning to “normal” with very little COVID help or guidance from FA or HMG.

Really great to see the return of trophy events and some great finals.

It is fantastic that EBFA continues to grow 2The League”, however, workload is becoming impossible for EBFA officials and will be address this season.

If you teams enter a Saturday County FA Cup and are successful in progressing, then your team will find it Challenging to complete their season.

EBFA Request Report From - County FA

Reading City FC U13, as County FA understand were removed from the EBFA league last season.

Nathan Bailey (The Manager) was complained about by all other teams bar one in the division. We had five incidents reported to County FA.

Nathan was found guilty of one charge of improper conduct and banned for two games and his son who plays for the team was banned for one game for a similar charge. In another case the club were charged with failing to control their players and fined £65, which has not been paid and Nathan is banned by FA from all football activities.

They received four yellow cards during the season in addition to the three misconduct charges.

The team were expelled by Reading City FC.

Also know that the team, now representing Give Back FC, caused problems at a recent tournament and have been banned from entering that tournament again.

County contacted Richard at Give Back and he has assured me that Nathan and the team are being mentored and monitored closely and that he is confident he can help the manager and team turn things around.

EBFA – Team Marks and Respect Reports From Opposition Teams

Always a game guaranteed to be played with zero respect and controversy.

Reading City and this manager (Nathan Bailey) need looking at and removing from kid's football. How can parents leave their children in his care? Not a nice man

"Reading appeared to have 18 players, where as their team sheet only had 15 players listed. According to the rules only 5 subs can be used. I did point this out to the Reading City Manager who said they were on trial? I also informed the ref about this discrepancy. During the game a yellow card was issued to one of the Reading players. The name given to the ref wasn't listed on the game cards. The ref will be submitting a full match report with further details."

There were a couple of incidents - the female assistant coach was shouting behind our goalie and putting him off until she was asked to move standing with her foot on the pitch over the touch line. She also was overheard by several players encouraging her team to foul our team and when one of our players reasonably asked at the end why she was encouraging dirty play she was very rude to him at which point I stepped in and then got accused of being verbally abusive which isn't true no inappropriate or bad language was used. They also complained about the pitch which had been inspected and deemed playable in the morning. They wanted the game abandoned although other matches were happening at BCS at the same time. She started taking photos of The pitch which was playable at the start but did deteriorate throughout the game however the ref was happy to play on as were the parents and kids. The referee was excellent in what was a very difficult game which included 2 bookings of reading city's players.

Recent Tournament – Referee Email to League

Give back fc is the old reading city team.

Please do not let them back in to ebfa. They have no idea about fair play, laws of the game, respect or the league.

They were at the Eversley tournament the other week. They entered 2 teams and were caught swapping players between them during the games. Also trying to get the same player to take penalties in a knock-out stages.

The same manager is involved from what I saw of their team at the tournament.

The manager bullies his players. By not letting them in, it gives the players a chance to find new teams where they stand a chance of getting a better Youth football experience.

Recent Tournament – EBFA Request Report of Eversley & California Youth FC Club, Team and Tournament Officials

[9:21 pm, 27/07/2022] They were the team in our section who were swapping players and kicking lumps out of 'weaker' sides - classic billy behaviour which was applauded by their sideline.

Finchampstead have banned them from their ground - IMHO (In my humble opinion) they are trouble and a big incident waiting to happen.

[9:21 pm, 27/07/2022] We were called over twice, swapping players between teams (alleged)

[9:22 pm, 27/07/2022] Their kids were cheering an injury in another game , unfortunately their role models are not great , poor kids don't stand a chance.

[9:23 pm, 27/07/2022] I spent a lot of time with the team!!!!!! I'm happy to talk to Ian. When they were playing football they were a good side, their antics at all other times weren't - I told three of them to leave the grounds.

[9:24 pm, 27/07/2022] I also had complaints from the other teams in our section.

[9:26 pm, 27/07/2022] I also didn't like how they spoke to their own kids. It's more the poor coaching attitudes than the kids (as always)

Recent Tournament – EBFA Request Report of Eversley & California Youth FC Club, Team and Tournament Officials

[9:29 pm, 27/07/2022] It was that incident that made me tell 3 of their players to go. They were behind the goal mouth - it wasn't even their team playing, it was a team they had just beaten. They were laughing and generally being really disrespectful - I told them to move, they did, not far, I told them to move again and they move to edge but further back. The goalie took a real blow to the head and they all started laughing at him. I gave them a proper dressing down, asked for their manager to come over - he was 'in charge' of a different match at the time. Two women came over, I explained the problem - one of them got mouthy, I told him it was absolutely not ok what they had done and I was happy to discuss it with him, but if he continued talking to me in that manner he ...

[9:32 pm, 27/07/2022] In my opinion they were very much a gang, encouraged by their manager. They made all the teams around them feel uncomfortable. The manager was a 'mate' not a manager.

However, as with everything, there were a few boys on that team that were 'playing football' and keeping out of everything else - they'd do well to look somewhere else for a team

I took "Club Official", and someone else with me - interestingly when they were knew they were being watched by us they settled down. Their manager asked if everything was ok and I told him that I hoped so and I was ensuring that it was

Reading City U13s Royals (Sunday PHYL)
Reading City U13s (Saturday EBFA)

Dear all,

On Monday 14th April 2022, the Reading City board attended a mandatory meeting with the Peter Houseman Youth league, to discuss the discipline of the Reading City U13 team.

The league presented detailed complaints from teams, within the division, who the Reading City U13 team competed against this season (21/22). The league also referred to a friendly game at the start of the season that got abandoned.

New Clubs – League Investigations

Give Back FC (Formerly 21/22 Reading City FC U13)

Reading City FC – Letter to Reading City U13, 19th April 2022, withdrawing them from EBFA League

From the teams, competed against, only one team had not registered a complaint.

There was major concern that a child welfare request was not listened to. This is concern, as your safeguarding, certified, person should have ensured the request was followed and instead you put a minor in potential danger. We did request your observations on this incident and to this day we have received nothing.

A discussion took place that there are two sides to every complaint, however, when the levels of complaints are high, as the ones received into the Peter Houseman Youth League, you are in a difficult position.

The complaints were centred around the Reading City coaching/management team's heavy and aggressive approach to the opposition's players, opposition's management and to your own players.

Alongside these complaints, there were also concerns from matches of shouting and comments made by the Reading City contingent. Teams have also written into the league stating they do not want to play you again.

Further to the meeting, Reading City FC requested a collation of complaints raised, into the Berks & Bucks County FA, in regards of the Saturday/Sunday U13s' teams. The detail below does not include the issues with the JPL, nor the complaints made to the Peter Houseman Youth League:-

v. Chineham Tigers

Abusive comments towards the referee – Found guilty

New Clubs — League Investigations

Give Back FC (Formerly 21/22 Reading City FC U13)

Reading City FC – Letter to Reading City U13, 19th April 2022, withdrawing them from EBFA League

v. Windsor 19/2/22 - EBFA

Was generally disrespectful and uncooperative in his approach towards the Windsor Youth manager prior to the game when discussing who would referee the game

Told his players they were not good enough or would not be playing again

Was “screaming” at his players and “swearing in front of them”

Swore at the Windsor Youth manager and called him a “clown, an idiot, you’re shit etc”

v. Finchampstead 19/3/22 - EBFA (This is the game for which Nathan has been charged)

Complaining at all referee decisions

Referee felt as though he was trying to be bullied

Audible encouragement from him to his players to foul and push

Telling his son to give a false name for the booking

v WHA 20/3/22

Dreadful behaviour by players and coaching staff (unspecified but described as feral)

Discourteous to referee, arguing decisions throughout the game

Parents in the coaching area and when challenged by the opposition became very aggressive

Players and coaches showing dissent

Asked to collect litter after the game, they refused and threw more rubbish in the car park

When challenged on this by female committee member Nathan laughed at her and raised his middle finger

Filmed the game when asked not to by the opposition

New Clubs – League Investigations

Give Back FC (Formerly 21/22 Reading City FC U13)

Reading City FC – Letter to Reading City U13, 19th April 2022, withdrawing them from EBFA League

Anonymous complaint - EBFA

Behaviour, atmosphere and challenges that were getting significantly dangerous
They approached the ref at half time and confronted him after the game
They are generally aggressive and intimidating to anyone present

v. Basingstoke Town Colts

Throughout the match the Reading City players and Managers questioned decisions by the Referee
The Referee was young and very in experienced and this pressure led to her frequently changing her mind.

There is another allegation concerning this match that I am investigating with the referee. I don't know if that will lead to charges or not yet.

Discussion took place at the PHYL meeting with regards to what action could be taken to rectify the concerns. As a club, we asked if the withdrawal of the team would be a necessary action for the remainder of the season, to ensure re-grouping and re-education could take place, in readiness for potential continuation next season, if the league allowed. The league felt this path would help all concerned and alleviate any potential further issues, this season.

New Clubs – League Investigations

Give Back FC (Formerly 21/22 Reading City FC U13)

Reading City FC – Letter to Reading City U13, 19th April 2022, withdrawing them from EBFA League

The league did re-affirm their concern of the safeguarding incident and asked if this was re-iterated and agreed by parents, players, and coaches, moving forward.

A Reading City FC board meeting was convened on Monday 18th April and the above was discussed at length. As a club we always strive to support our teams and even though the number of complaints raised is high, it has come from a one-dimensional angle and thus we could have looked to manage the remaining couple of games.

However, the concern around the safeguarding issues cannot be ignored:-

Windsor, -**EBFA**, found guilty of causing a 'mass mele' after the game.

Finchampstead -**EBFA**, found guilty with telling a player to give a false name.

Wooten Argyle – request not film was ignored and then put on Instagram.

Basingstoke – still being investigated.

After reviewing, with the FA guidelines, it was deemed that this type of behaviour is not in line with the Reading City's 'codes of conducts' and so not the representation acceptable of a Reading City FC Team.

The board have been given no choice but withdraw both teams from their relevant league and de-affiliate the named teams with the County, with immediate effect.

Give Back FC (Formerly 21/22 Reading City FC U13)

Reading City FC – Letter to Reading City U13, 19th April 2022, withdrawing them from EBFA League

Cancelling the affiliation of the teams, with the Berks & Bucks County FA, will mean you cannot enter summer tournaments or play friendlies under Reading City FC or use our affiliation number, from the date of this letter. This decision has not been lightly and is an extremely sad situation and we wish you every success in your football journey.

Yours sincerely,

Reading City Football Club

New Clubs — League Investigations

*The current club membership had no questions for representatives of the following Clubs
Badshot Lea Colts FC, Calcot Royals FC, Fleet Town Colts Youth FC, Black Panthers Dons FC,
Bracknell Panthers FC, Datchet Youth FC, Eversley & California FC, Holyport FC, St Peters Iver
FC*

Give Back FC were represented by 3 people — Charlie Gibb, Adam (Manager) and Parent.

*Richard Witt — Club Secretary of Give Back FC and Assistant Manager of Give Back FC U14
team was attending Berks and Bucks County FA Event.*

*Nathan Bailey the Manager and Coach of the Give Back FC U14 team (as defined on WGS) was
not present. Ian Nile informed Give Back FC representatives that County FA had confirmed
Nathan Bailey as being suspended from all Football Activities, which included a League AGM.*

*Charlie said that Nathan was not the manager of the team and Adam was manager (On WGS
EBFA has subsequently found this to be incorrect statement from Charlie).*

New Clubs — League Investigations

Charlie also informed the mtg that the disruptive players had left and joined other EBFA teams - Ian informed meeting that zero players had been registered by Give Back FC U14s (zero players on GotFootball and zero WGS FA-PRS), so League had not been able to confirm leavers registrations.

Subsequently, when Give Back FC submitted 16 players on the WGS on, 12-Aug-22 to 17-Aug-22 none of the 7 players of Reading City FC U13s that were not on the WGS Give Back U14 submissions had registered for other team in EBFA for the 22/23 season.

Charlie said that Nathan supported the Community Trust to give deprived players a chance to play. That he had brought the team a mini-bus to get them to matches, brought players food and would give his boots to players so they could play – This raised concern with current club

Club representative confirmed the issues at Eversley & California Youth FC Tournament and confirmed the behavior of awful behavior of Give Back U14 teams, team officials, players. Charlie said they had video of Tournament officials praising the Give Back FC U14 team at the end of tournament presentation. (Video not seen)

New Clubs — League Investigations

Current Club confirmed that Give Back FC had played at NPL Youth FC tournament and had no issues.

Ian said that in April-22 EBFA got reports of Reading City FC U13 playing in EBFA wearing a Reading FC kit. EBFA raised with Club.

Ian said that in April-22 EBFA was reviewing respect and misconduct reports of Reading City FC U13 with their Club, just before Reading City FC withdraw the team from both EBFA and Peter Houseman League.

A Current Club representative confirmed that Give Back FC should be extremely concerned with the number of issues raised, one issue for a Club is a red Flag and would require a youth club to investigate — the number of issues here was extraordinary.

Comment made by a current member club "what about the enjoyment of the opposition team?". "We have to think about everyone involved and not just one team of players. Football has to be fun and safe... neither of which is evident of this team from reports we have received."

New Clubs — League Investigations

Then in accordance with EBFA procedure for the election of retuning and new clubs, all returning and new team members left the meeting while separate votes of the election of each Club was conducted. (Results of current club membership included in these minutes)

Player Registration System(s)

14 Player Registration Systems 2022/23

Player Registrations – via www.Gotfootball.co.uk and WGS (FA-PRS).

GotFootball System was ready for 2022/22 on 01-Jun-22.

WGS ready was on 08-Jul-22 (After FA Closed WGS from 01-Jul-22 to 08-Jul-22)

Player Registration, Transfer & De-regs Fees are free until 31-Jul-22.

So far 7,301 players registered on GotFootball.
Printing of ID Cards to start 1st August 2022.

Player Registration System(s)

14 Player Registration Systems 2022/23

Clubs are also required by the Football Association to register their players to a team on Whole Game System (WGS) FA Player Registration system (FA-PRS).

From 9th August EBFA will start matchings the Registered players in GotFootball to those submitted by Club for league approval on WGS (PRS). 5,235 Players submitted by Clubs on WGS.

EBFA will check the player has completed the full registered process on GotFootball and will then try to approve the player on WGS.

The League will validate the WGS FA-PRS Player's First Name, Surname, Date of Birth or Team Name all match the data on the players GotFootball player's registration.

Player Registration System(s)

14 Player Registration Systems 2022/23

If all data matches the League will approval the WGS submission and will update the GotFootball Player Registration record with an update to the start of the Player Jersey number with

"Q-", which means the player CAN play in EBFA 22/23 matches.

If the players has "N-", in the jersey field, then player is new and not yet matched between GotFootball and WGS.

"N-" Players are NOT Authorised to play in EBFA 22/23 matches.

Player Registration System(s)

14 Player Registration Systems 2022/23

If the players has "R-" at the start of the Jersey field, then player played last season 21/22, and not yet matched between GotFootball and WGS for 2022/23 season.

"R-" Players are NOT Authorised to play in EBFA 22/23 matches.

If the players has "NE-" at the start of the Jersey field, then WGS FA-PRS Players First name, Surname, Date of Birth or Team Name does NOT match GotFootball. Then Club/Team needs to update the WGS FA-PRS updated (Mainly done by Your Club's County FA).

"NE-" Players are Not Authorised to Play in EBFA 22/23 matches

Player Registration System(s)

14 Player Registration Systems 2022/23

If the player has "N-F", in the jersey field, then player has not completed GotFootball player registrations and cannot play in EBFA 22/23 matches, as the "F" indicates that the players WGS FAN number has not been entered into the GotFootball Player registration record.

"N-F" Players are Not Authorised to Play in EBFA 22/23 matches

Just like last season the Football Association WGS (FA-PRS) is still proving to be a challenge for Clubs and Leagues.
