## EBFA Parent/Guardian Agreement Form – Team Instructions 2022/2023

All players must have their Parent/Guardian Agreement forms submitted in order to complete the player Registration. This form is an online form that can be found within the Player Account.

The Player Accounts can be forwarded to guardians via the Team Account using the Email Team Function. However, you must first ensure the player has a login for their account and also that their guardian's email attached to their profile.

The instructions below will show you how to check that your players have logins, how to create player logins if they do not, how to forward logins, and finally how to check which of your players have had their parent/guardian agreement forms submitted.

### 1. Log in to the Team Account and click on “Roster” in the Grey Menu bar.

The screenshot shows the GotFootball website interface. The top navigation bar includes links for Home, Events, Game History, Email Team, College Search, Rewards, Help, and Log Out. The main menu bar highlights the 'Roster' option. The page title is 'Team - Boys U10 Test FC'. Below the title, there are links for 'Update Team Age and More' and 'View Public Team Page'. The 'Event Registration History' table is displayed, showing one item with the following details:

Name/Date	Type	Status	Applied	Accepted	Paid	Roster	Schedule	eTravel	Support
East Berks Football Alliance 2015/16 01/06/2015 - 01/06/2016	League	Pending	21/08/2015	No	No	Default	TBA	Request	Request

At the bottom of the page, there is a 'Your Club' section showing 'A Test FC (Berkshire)' and a 'powered by | gotsoccer' logo.

### 2. A list of your players will appear.

The column on the far right informs you whether or not your players have logins for their Player Accounts.

In the example below no players have Logins, as indicated by **N/A** in the Login column

If a player had a login the word **OK** would appear in the Login column.

EBFA 2022/23

A Player League Registration Record for 2022/23 has been set up on the East Berks Football Alliance GotFootball portal.

We now need you to complete the Parent Guardian Agreement Form and then the league can complete the registration of the player, so your child can start to play in home/away matches.

You to complete the following:

- UK Passport style photo upload (please do not use the photo from your actual passport which has watermarks)
- Proof of birth/Nationality – passport or birth certificate uploaded (applicable only if this is the first player registration with this Club)

Note: - If the Proof of birth/Nationality demonstrates that the player was born outside England and over 10 years old at the time of first player registration for this Club, then the player may need English Football Association/FIFA International Clearance - which can take some considerable time and effort)

## Important Note

On 01-Aug-22 the league will register the player record who have:

- New Photo
- Complete Address
- DOB and Nationality has been verified – JPG or PDF of passport or birth certificate can be uploaded for players who do not have the yellow padlock – which means the player name, DOB and nationality has been verified previously in your Club.
- FAN Number from the Football Association-Player Registration System.
- FA-Player Registration System Record that is completed and awaiting a League Check to confirm that a player of this name is registered on GotFootball. The EBFA League's confirmation on the WGS FA-PRS does not certify any other data on the FA-PRS.

Any player moving to your Club from a previous EBFA Club must be treated as a fresh registration. The League cannot migrate the data between Clubs until the player is registered for 2022/23 and a transfer application is made.

Once players are register for the 2022/23 event this is shown in the Form column by a Blue Capital P, only these players can play for your team in EBFA.
