EBFA Parent/Guardian Agreement Form – Team Instructions 2023/2024

All players must have their Parent/Guardian Agreement forms submitted in order to complete the player Registration. This form is an online form that can be found within the Player Account.

The Player Accounts can be forwarded to guardians via the Team Account using the Email Team Function. However, you must first ensure the player has a login for their account and also that their guardian's email attached to their profile.

The instructions below will show you how to check that your players have logins, how to create player logins if they do not, how to forward logins, and finally how to check which of your players have had their parent/guardian agreement forms submitted.

1. Log in to the Team Account and click on “Roster” in the Grey Menu bar.

The screenshot shows the GotFootball website interface. The top navigation bar includes links for Home, Events, Game History, Email Team, College Search, Rewards, Help, and Log Out. The main menu bar highlights 'Roster' and includes 'Roster History' and 'Account Assistance'. The page title is 'Team - Boys U10 Test FC' with a GotSoccer TeamID of 5293. A table titled 'Event Registration History' displays the following data:

Name/Date	Type	Status	Applied	Accepted	Paid	Roster	Schedule	eTravel	Support
East Berks Football Alliance 2015/16 01/06/2015 - 01/05/2016	League	Pending	21/08/2015	No	No	Default	TBA	Request	Request

Below the table, there are links for 'Update Team Age and More' and 'View Public Team Page'. The page also features a 'Your Club' section showing 'A Test FC (Berkshire)'.

2. A list of your players will appear.

The column on the far right informs you whether or not your players have logins for their Player Accounts.

In the example below no players have Logins, as indicated by **N/A** in the Login column

If a player had a login the word **OK** would appear in the Login column.

Important Note

On 01-Aug-23 the league will register the player record who have:

- New Photo
- Complete Address
- DOB and Nationality has been verified – JPG or PDF of passport or birth certificate can be uploaded for players who do not have the yellow padlock – which means the player name, DOB and nationality has been verified previously in your Club.
- FAN Number from the Football Association-Player Registration System.
- FA-Player Registration System Record that is completed and awaiting a League Check to confirm that a player of this name is registered on GotFootball. The EBFA League's confirmation on the WGS FA-PRS does not certify any other data on the FA-PRS.

Any player moving to your Club from a previous EBFA Club must be treated as a fresh registration. The League cannot migrate the data between Clubs until the player is registered for 2023/24 and a transfer application is made.

Once players are register for the 2022/24 event this is shown in the Form column by a Blue Capital P, only these players can play for your team in EBFA.

Summary

WGS FA-PRS is operated by the Football Association and support must be sort from the Football Association.

GF-PRS is operated by East Berks Football Alliance and support is provided by EBFA in association with GotSport support team.

GF-PRS is open so Clubs/Teams please register players on GotFootball ASAP

- **Check that the GotFootball FAN# matches WGS FA-PRS.**
- **If Players has no GotFootball FAN# – find or create player record on WGS FA-PRS and update GotFootball -FAN#s.**

Complete the WGS-PRS for players (FA Should open the WGS-PRS in Jul-23).

- **WGS Consent**
- **WGS Team Assigned**
- **WGS ID Verified**
- **WGS Player Info**
- **WGS Submit to League for Approval**

EBFA will complete the GotFootball Player Registration when

- **GF Player has Photo (head and shoulders, taken in last 3 months)**
- **GF Player Has full address.**
- **GF Player has a Verified Name/DOB, previously verified in previous seasons or for a new player from the Proof of Age/Proof of Birth Place document uploaded to Documents tab (Passport or birth Certificate)**
- **GF Player does not require ITC or ITC exception (Checked from birthplace on the POA/POBP documents)**
- **GF Player has FAN entered that matches WGS**
- **GF Player has LPGAF (League Parent/Guardian Agreement Form) from the legal Parent/Guardian (Not Club or Team Official or by proxy)**

EBFA will complete the GotFootball Player Registration for 2023/24.

Once GF Player Registration is complete – EBFA will check if it can approve the WGS FA-PRS.

Then EBFA will check the player has completed the full registered process on GotFootball and will then approve the player on WGS. On Approval EBFA will update the GotFootball Player Registration record with an update to the start of the Player Jersey number with “U-“, which means the player can play in EBFA 23/24 matches.

If EBFA cannot approve the WGS FA-PRS for the following reasons, then EBFA note will be added to the Jersey field of the

players and will mean they are “Not Authorised To Play” (NATP) in EBFA fixtures and no EBFA eCard and no EBFA idCard will be issued.

If the players has “N-“ at the start of the jersey field, then player has not have completed GotFootball player registrations and is not matched to a WGS record and cannot play in EBFA 23/24 matches.

If the players has “Q-“ at the start of the Jersey field, then player played last season 22/23 (R- is 21/22 season), but is not able to play in 23/24 season, as no matching WGS record has submitted and approved by League – so player CANNOT play in EBFA 23/24 matches.

If the player has “N-F“, in the jersey field, then player has not completed GotFootball player registrations and cannot play in EBFA 23/24 matches, as the “F” indicates that the players WGS FAN number has not been entered into the GotFootball Player registration record.

The Player Registration audit processes of East Berks Football Alliance will continue to ensure that on GF-PRS:

The photo is recent,

Photo is head/shoulders only,

Player has a full address – House No/Name, Street, Town ,

Players Name matches their legal name on the Passport or birth certificate,

Player DOB match their legal DOB on the Passport or birth certificate and that a player cannot play outside their age group unless authorised by the FA SCORY or the FA Player registration Department,

Players that are Trophy Event Tied will not appear on the GotFootball team sheet for the team’s Trophy Event Matches..

Plastic Credit card size idCards will be issued for each player and are required to be present at all Club training sessions and EBFA Matches. eCards will be issued on player registration after the season start, followed by the printed idCard being posted to the Team Manager, address for the Manager is taken from GotFootball system.

League requires a League Parent Agreement Form from each Player’s Parent/Guardian. Note EBFA has put in extra auditing to trace Clubs or Teams which complete the LPGAF. Clubs and Team Officials can

only complete the EBFA/GF LPGAF for their own children, not for the children of other Parents/Guardians of players on the team, unless they have a full legally binding Power of Attorney from those Parents/Guardians and can upload a copy of Power of Attorney to the Documents tab of the GotFootball Player's record.

Please ensure that on the FA-PRS the First and Last Name and DOB matches the Player's legal details, that have been verified and locked on GotFootball. If FA-PRS data does not match GF-PRS then League will not approve the WGS registration of the player on FA-PRS and the player will not be authorised to play in EBFA fixtures. For example, Benjamin not Ben, Samuel not Sam if their legal name is Benjamin and Samuel. To get the players name or DOB corrected on WGS – email your County FA.

When you search for players on the FA-PRS, do not trust what someone else has entered the data correctly – check again the name matches a legal passport or Birth Certificate, that the DOB is correct and that ITC due diligence is complete by your Club, as EBFA will ask for ITC due diligence verification. (See EBFA Rules Appendix O).

Clubs need to ensure that they teams are registered with County FAs by 01-Aug-23, when they must provide the League with their County FA affiliation number for 2023/24. On 01-Jul-23 the Football Association then open the League WGS portal, at which point the League is then allowed to see which teams are registered by Clubs to participate in EBFA for 2023/24. Please ensure your WGS team name match exactly the name in GotFootball for the 2023/24 season. League will then check the WGS against the Club Applications on GotFootball for 2023/24.

If Clubs delay team registrations on WGS after 01-Jul-23, then the League cannot stream teams which are not affiliated and cannot approve the FA Player Registration systems player registration if teams do not match those that applied for EBFA 23/24 season on 31-May-23.
